CNo 209/46

Sir

I beg to state that, in connection with your notice dated X to me to retire on August 4th 1946 on the completion of my 55th year, I may be kindly granted one year's extension on the following

1. I have been an efficient teacher throughout my service as can be verified from the S.S.L.C results and in the subjects taught by me and also from the Inspection reports of the last 2 3 years

2. In spite of my age my work has not slagged in any way as the result in the last S.S.L.C in mathematics, the subject taught by me, is cent per passes and as the last inspection report speaks well about my work.

3. As regards my health it is very good and it is only 3 years ~~since~~ since my life ~~as first class~~ has been insured as first class in the Bombay Insurance company. I am also prepared to produce the necessary health certificate.

On a kind consideration of the above, I pray that I may be given one years extension.

I beg to remain,
Sir,
your most obedient Servant
J Ganesha Rau

D.Dis.No.11422-46. 2921

South Kanara, District Board Office,
Mangalore, dated 12---7---1946.

Endorsement on the application dated 17-6-1946 from Sri J.Ganesh Ra B.A., L.T., Assistant, Board High School, Mulki.

Forwarded to the Secretary to Government, Education & Public Health Department, Madras through the District Educational Officer, South Kanara and the Director of Public Instruction, Madras.

2. The petitioner is a Mathematics L.T.Teacher in Board High School, Mulki who is due to retire from service on the 4th August 1946, on his attaining the age of 55 years from the said date. He has now applied for extension of service for one year. The Head-master of the High School states that the work of the teacher is quite satisfactory. He is also physically fit. In this connection, it has to be pointed out that lot of difficulty is being experienced in this office of late to get trained teachers for appointment in the High schools. Even after advertisement in the "Hindu" sufficiently in-advance, no L.T.teachers have become available for appointment for the current school year except one whereas there are 4 temporary posts of L.T.Assistants to be filled up in the Board High schools, Puttur, Karkal, Mulki, Coondapur and Kasaragod under the Board just at present, besides one post filled up already by an untrained graduate in the Board High School, Puttur for want of a trained teacher. Even to get untrained graduates it has become a problem as graduates seek for better employments else-where than under the Dt.Board.

I would, therefore, request that Government may be pleased to sanction the re-employment of the petitioner for a period of one year from 4-8-1946 on the pay drawn by him at the time of his retirement.
